Dear Mr Anderson

**FOLLOW-UP TO THE INSPECTION OF GLAMIS PRIMARY SCHOOL
ANGUS COUNCIL**

The report on Glamis Primary School was published in September 1998. HM Inspectors visited the school in May 2000 to evaluate progress made in responding to the main points for action in the report.

The school and the education authority have made good progress towards meeting all of the main points for action in the report. As a result, HM Inspectors will make no further visits to the school in relation to the 1998 report.

I attach an evaluation and brief account of the response made by the school and the education authority to the main points for action in the report.

I am sending a copy of this letter to parents of children currently in the school and the other recipients of the inspection report.

Yours sincerely

J Boyes
HM Chief Inspector of Schools
Northern Division
