Dear [Mrs Wilson](#)

FOLLOW-UP TO THE INSPECTION OF [GROVE ACADEMY, DUNDEE CITY COUNCIL](#)

The report on [Grove Academy](#) was published in [June 1998](#). HM Inspectors visited the school in [March 2000](#) to evaluate progress made in responding to the main points for action in the report.

[The headteacher and the school, together with the education authority, have made good progress in addressing all of the main points for action.](#) As a result, no further visits will be made in connection with the 1998 report.

I attach an evaluation and brief account of the response made by the school and the education authority to the main points for action in the report.

I am sending a copy of this letter to parents of children currently in the school and the other recipients of the inspection report.

Yours sincerely

J Boyes
HM Chief Inspector of Schools
[Northern Division](#)
